

Yıldız Technical University Faculty of Economics and Administrative Sciences invites the submission of papers on: **2nd Annual International Conference on Social Sciences (AICSS)**. The conference will take place in Istanbul, Turkey on 2-4 June 2016.

**AICSS** aims to bring together researchers, scientists, scholars and scholar students to exchange and share their experiences, new ideas, and research results about economics (economic theory, economic analysis, macroeconomics and money, microeconomics, economic psychology, econometrics, international economics, public finance, economic growth and development, social economics), business and administrative studies (management, marketing, finance and accounting, international business, business law, supply chain and logistics management), political science and international relations (politics, public policy, political theory, public administration, political methodology, comparative politics) within the global and interdisciplinary scope, and discuss the practical challenges encountered and the solutions proposed.

We also welcome researchers willing to organize their own specialized sessions.

Papers are published in the conference proceedings and selected papers from those presented at the conference will be considered for publication in a special issue of the Yıldız Social Science Review.

Please consult the conference website for further details:
